3rd World Congress on Nursing and  
Paramedical Sciences – 2024

Dear Friends and Colleagues

It gives me a great pleasure and truly delighted to welcome each and every one of you to 3rd World Congress on Nursing and Paramedical Sciences - 2024 to be held on 8th December – 2024 at J.N. TATA Auditorium, Indian Institute of Science, Bengaluru, Karnataka, India.

I truly believe that this auspicious event is a great platform for all with the same vision and mission, get together to share, discuss and network in improving our delivery of high quality and competence care to all our patients. We are delighted to have you here to participate in this congress, and thank you for coming.

I am so pleased to see so many colleagues, professors and friends from all over the world, all in one platform. This congress provides a unique opportunity for all of us. And to my knowledge, this is the only congress where you can meet colleagues from your own specialty area, but you can also reunite with your colleague, students and old friends. The organizing committee has worked extremely hard for the congress to prepare an outstanding congress. Your strong support and active participation have made the congress alive with the spectrum of topics that is very current and broad. An impressive number of distinguished speakers worldwide have been assembled for this congress and plenary sessions. Generous sponsorships from many industrial companies and organizations international and local have recognized that this congress is an important venue to discuss scientific and evidence-based practice around the world.

We look forward to celebrating and enhancing our amazing profession with you at the 3rd World Congress on Nursing and Paramedical Sciences - 2024.

Dear Colleagues and Friends,

I am honoured that to invite you all at 3rd World Congress on Nursing and Paramedical Sciences – 2024 to be held on 8th December – 2024 by BioGenesis Health Cluster, at J.N.TATA Auditorium, Indian Institute of Science, Bengaluru, Karnataka, India. The Conference will feature a highly interactive and multidisciplinary program including initiatives to address the entire nursing and paramedical line and to look beyond the scientific topics alone.

This conference will offer unique opportunity for Academic leaders, Nursing faculty and Nurses as well as for Experts and Scholars of higher education from all over the world to share novel ideas on crucial issues and trends in the area of nursing. It is an ideal platform to explore diverse nursing topics that will impact their future practice.

The major goal of this conference is to disseminate the recent and advanced knowledge in the area of Nursing and its collaboration. Scientific Presentations will be in the form of plenary sessions, keynote sessions, special lectures and posters.

I do hope that you will enjoy the Conference and that your interaction with your colleagues from all over the world will stimulate a creative exchange of ideas and will be personally rewarding. I look forward to welcoming you Bangalore for this important milestone in the further development of our presentation story and we hope this conference will offer participants a platform to exchange ideas, discover novel opportunities, reacquaint with colleagues, meet new friends and broaden their knowledge.
