WORLD CONGRESS ON
NURSING & HEALTHCARE SUMMIT | 2019

21st and 22nd November 2019,
J.N Tata Auditorium,
Indian Institute of Science,
Bengaluru

Dr. V.P. Rao
Convenor,
World Congress on Nursing &
Healthcare Summit -2019.

Dear Friends and Colleagues

It gives me a great pleasure and truly delighted to welcome each and every one of you to World Congress on Nursing and Healthcare Summit -2019 to be held on 21st and 22nd November, 2019 at J. N. Tata Auditorium, Indian Institute Of Science, Bangalore India.

I truly believe that this auspicious event is a great platform for all with the same vision and mission, get together to share, discuss and network in improving our delivery of high quality and competence care to all our patients. We are delighted to have you here to participate in this congress, and thank you for coming.

I am so pleased to see so many colleagues, professors and friends from all over the world, all in one place. This congress provides a unique opportunity for all of us. And to my knowledge, this is the only congress where you can meet colleagues from your own specialty area, but you can also reunite with your colleague, students and old friends.

The organizing committee has worked extremely hard for the congress to prepare an outstanding congress. Your strong support and active participation have made the congress alive with the spectrum of topics that is very current and broad. An impressive number of distinguished speakers worldwide have been assembled for this congress and plenary sessions. Generous sponsorships from many industrial companies and organizations international and local have recognized that this congress is an important venue to discuss scientific and evidence-based practice around the world.

We look forward to celebrating and enhancing our amazing profession with you at the World Congress on Nursing and Healthcare Summit -2019.

Dr. Naveen Thomas
Chairman
World Congress on Nursing &
Healthcare Summit -2019.

Dear Colleagues and Friends,

I am honoured that to invite you all at World Congress on Nursing and Healthcare Summit -2019 to be held on 21st and 22nd November 2019 at J. N. Tata Auditorium, Indian Institute of Science, Bangalore India. The Conference will feature a highly interactive and multidisciplinary program including initiatives to address the entire nursing line and to look beyond the scientific topics alone.

This conference will offer unique opportunity for Academic leaders, Nursing faculty and Nurses as well as for Experts and Scholars of higher education from all over the world to share novel ideas on crucial issues and trends in the area of nursing. It is an ideal platform to explore diverse nursing topics that will impact their future practice.

The major goal of this conference is to disseminate the recent and advanced knowledge in the area of Nursing and its collaboration. Scientific Presentations will be in the form of plenary sessions, keynote sessions, special lectures and posters.

I do hope that you will enjoy the Conference and that your interaction with your colleagues from all over the world will stimulate a creative exchange of ideas and will be personally rewarding. I look forward to welcoming you Bangalore for this important milestone in the further development of our presentation story and we hope this conference will offer participants a platform to exchange ideas, discover novel opportunities, reacquaint with colleagues, meet new friends and broaden their knowledge.

WELCOME TO WORLD CONGRESS ON NURSING AND HEALTHCARE SUMMIT - 2019

BioGenesis Health Cluster (Not For Profit) are at an immense pleasure and pride in cordially inviting all interested and energetic participants/members all over the world to our World Congress on Nursing and Healthcare Summit - 2019 to be held on 21st and 22nd November, 2019 at J. N. Tata Auditorium, Indian Institute of Science, Bangalore India whose key motive is "Inspiration, Motivation and Collaboration in the field of Nursing".

Scope and Importance: Nursing and Healthcare Congress is unique forum to bring together worldwide distinguished academics in the field of nursing and healthcare, public health professionals, nurse educators, researchers, nurse managers, physicians, pediatricians and healthcare professionals provides the ideal environment to disseminate and gain current knowledge in the area of Nursing and Healthcare. Nurses and other healthcare professionals will have the opportunity to network with colleagues and exhibitors; discuss best practice research, safety-related outcomes, competencies, and challenges.

This is an excellent opportunity to share your best practice initiative, research project, or provide continuing education as it relates current issues. The conference offers participants breakout sessions highlighting clinical projects, education and research studies. Nursing is among the fastest-growing fields, and it has a robust job market, which makes it very attractive to people in search of a new or first career.

Nursing congress aims to discover advances in health practice, management and education in relation to health disparities as well as a breadth of other topics. As of 2014, there were 1.79 million registered nurses/midwives and 786,796 auxiliary nurse midwives in India, according to INC data. On average, India's nurse-to-population ratio is 1:475.14, including registered nurses and midwives and lady health visitors, according to NHP 2016.

WHO CAN ATTEND?

Nursing congress brings together individuals who have an interest in different fields of nursing like psychiatric, cancer, cardiac, critical care, adult & women health, legal, Pediatric nursing, emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy and education. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence, ideas, and generate solutions. Leading world Doctors, Registered nurses, Professors, Research fellows, Advanced Practice Nurses, Physician Assistants, Pharmacists, Physicians, and Professionals who are seeking updated information for providers caring for patient in primary, ambulatory and urgent care settings.
